TAHIR SIDDIQ ET AL Defendants

MOTION TO LEAVE TO AMEND

Comes now Jimmy F Cameron in the above style cause. To let this court know that his medical file here at Draper has been gone through and every document that indicated that plaintiff has ever been disabled are any of records of all the x ray reports. That this court already has from previous civil actions are gone. except for the two x ray reports that were taken on 1-10-06 and 8-28-06 that plaintiff had copies of from his request for production of records. if plaintiff had not had these copies they would not be in his file. Doctor Siddig really cleaned plaintiff medical file out. not knowing of plaintiff production of records in plaintiff other civil actions. Plaintiff has sent again for his complete body M.R.I from Jasper Alabama 11-04 that plaintiff's doctor Al ordered. Plaintiff admits WARDEN Billups

could not have known about Plaintiff serious medical condition. Simply Because of Doctor Siddiq cleaning out Plaintiff medical file. No one else had any reason to clean out Plaintiff medical Records are had access to medical Records other than Doctor Siddiq. This Honorable court can check ALL other Exhibits sent from Plaintiff. That came from Plaintiff medical file Before Plaintiff file this Last civil Actions 207-CV-684-WKW. The Exhibits will Prove That Plaintiff medical Records has been Picked clean!
